4. Any other pertinent information concerning the above described rules, ordinance, or other regulations:

Pima County Department of Environmental Quality (PDEQ) is proposing amendments to the Pima County Code, Title 17, Air Quality. The proposed ordinance amendments clarify applicability of requirements to obtain an activity permit and clarify the local standard for property boundary dust control requirements.

The current staff recommendation to the Board of Supervisors, as drafted in proposed ordinance amendments and support documents, clarifies provisions of county ordinance.

The options available to the Pima County Board of Supervisors include:

- Adopting staff recommendation;
- Supplementing or revising the support documents and findings in response to public comments and making corresponding changes to the proposed ordinance amendments;
- Rejecting all ordinance amendments; or
- Any combination of the above actions.

Pursuant to A.R.S. §49-112 (D)(4), the county shall publish the notice of public hearing at least 20 days before the hearing
